- Start date: Immediate
- End date: Friday, November 25th - 3:00 pm

A Green Holiday Season

The Environmental Education Centre for the Okanagan is getting into the holiday spirit with two special free 'Green Christmas' craft programs on Saturday, November 26th.

From 10:00 am to 12 noon or 1:00 pm to 3:00 pm, adults will have a hands-on opportunity to transform cedar boughs, Oregon-grape leaves and other natural materials into fresh wreaths, swags and garlands for your home. The workshop is fun, informative and interactive and you'll leave with some 'green' decorations and a little holiday cheer.

Participant numbers are limited and pre-registration is required for both free programs (by Friday, November 25th) by calling the EECO at 250-469-6140 or email eeeco@cord.bc.ca. The Environmental Education Centre for the Okanagan is located in Mission Creek Regional Park at Springfield and Durnin Roads.

For more information about the EECO, its programs and your Regional Park system, check out Your Guide to Regional Parks, visit the Regional District website (regionaldistrict.com/parks) or contact the EECO at 250-469-6140.
