### Summer Day Camp Registration Begins June 1st

Registration begins Wednesday, June 1<sup>st</sup> for this summer's Junior Naturalist Day Camps.

They return during July and August in several Central Okanagan Regional Parks. Youth aged five through 11 will have a blast participating in another summer of Junior Naturalist Day Camps offered by the Regional District. Trained leaders will guide budding naturalists in these three, four and five, half-day camps at four different Regional Parks. They'll take part in fun activities and games, while learning about nature and our environment.

Children and youth aged five to seven years and eight to 11 years attend the camps that operate weekday mornings from 9:00 am until noon or afternoons from 1:00 pm to 4:00 pm. The cost for a three half-day camp is \$60 per child, \$80 per child for a four half-day camp or \$100 per child for the five half-day camp.

Also returning this year is a special three-morning program for pre-schoolers (3 and 4 year olds) at Mission Creek Regional Park. It runs from 9:00 am to 12:00 pm on August 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup>. Registration for this special program is \$60.

Please register at the EECO (Environmental Education Centre for the Okanagan) in Mission Creek Regional Park, by emailing [eeeco@cord.bc.ca](mailto:eeeco@cord.bc.ca) or by calling the centre at 250-469-6140. You can also link to program information and forms on the Regional Parks Youth Summer Programs webpage by visiting [regionaldistrict.com/parks](http://regionaldistrict.com/parks).

For more information about the Junior Naturalists Day Camp program, dates and locations, visit the Regional District website or check out '*Your Guide to Regional Parks 2011*'. It's available at municipal offices, recreation and visitor centres from Lake Country to Peachland. And it's always available for you, whenever you need it at [regionaldistrict.com/parks](http://regionaldistrict.com/parks).
