EECO Storytime

This fall and winter the Environmental Education Centre for the Okanagan or EECO (ee-COH) offers a fun and interactive weekly program for pre-schoolers.

'EECO Storytime' takes place Wednesday mornings at 10:00 from November 9th to February 29th (no Storytime December 28th) for three to five year old children and their caregivers. Participation is by donation.

During the hour, participants will be treated to interactive nature themed stories, songs and crafts. It's a fun and active way to learn more about our Regional Parks and the animals of the Okanagan.

There's plenty of parking at the EECO, located in Mission Creek Regional Park at Springfield and Durnin Roads.

For more information visit the Regional District website regionaldistrict.com/parks or contact the EECO staff at 250-469-6140.
