- End date: Friday, December 23rd – 3:00 pm

‘Meet Your Wild Neighbours’ at the EECO

They’re back and you can meet them at the Environmental Education Centre for the Okanagan until January!

The exhibit ‘Meet Your Wild Neighbours’ has returned for another season at the EECO in Mission Creek Regional Park, Springfield and Durnin Roads.

The exhibit features animals such as the beaver, bobcat, loon, marmot and cougar, all species that call the Central Okanagan home. There are hands-on learning activities to involve children along with information for children of all ages! It’s a great opportunity for you to get a safe, up-close look at some of the animals that may be in your backyard, or at least close by.

The Environmental Education Centre for the Okanagan or EECO is open daily from 10:00 am to 3:00 pm.

For more information visit the Regional District website regionaldistrict.com/parks or contact the EECO staff at 250-469-6140.
